

Masuparia Announces New Appointments; Grant Options

Masuparia Gold Corporation (TSX.V: **MAS**) (“**Masuparia**” or the “**Company**”) is pleased to announce the appointment of Mr. David Tupper as Vice President of Exploration.

“We are pleased to welcome such an experienced professional to the Masuparia team,” remarked Masuparia’s CEO and Chairman Ron Netolitzky. “Mr. Tupper brings a wealth of experience in exploration and development in Saskatchewan and I look forward to working with him.”

Mr. Tupper is a geologist with over 32 years of mineral exploration experience, which includes managing the identification, acquisition and execution of numerous high quality, early stage to large-scale drill exploration projects. He has experience exploring for gold, base metals, uranium, and coal in a wide variety of geological settings in North, Central and South America, as well as Asia. Mr. Tupper has spent the past four years working on Saskatchewan-based projects and is a Qualified Person under National Instrument 43-101.

Options Granted

Masuparia has granted a total of 1,300,000 options pursuant to the company’s stock option plan, of which 875,000 of the options were granted to directors and executive officers, with the balance granted to consultants. The options are exercisable at \$0.12 per share, and if not exercised, expire on December 7, 2022, subject to earlier expiration in accordance with the stock option plan and the applicable policies of the TSX Venture Exchange.
